

LORD HOWE ENVIRONMENTAL TOURS

WEATHER MAR/APRIL

March

This month is often described as the best time to visit Lord Howe Island, when more stable weather patterns often prevail. During this month, evenings start to cool down and humidity levels start to decrease. Ocean temperature is at its highest.

April

Weather patterns are less reliable and weather ranges from warm, settled conditions, through to extremely windy days, with cooler temperatures.

ESSENTIAL TRAVEL INFO

When travelling to Lord Howe Island, travel insurance is highly recommended. As Lord Howe Island is a small Island, weather patterns can change dramatically over the course of your stay. To ensure you are covered in the event of a flight change or weather cancellation we think travel insurance is essential.
