

LORD HOWE ENVIRONMENTAL TOURS

WEATHER SEPT/OCT/NOV

September

The beginning of spring brings slightly more stable weather patterns, as the weather starts to become more reliable.

October

Air temperatures start to warm, less frequent low-pressure systems influence the Island.

November

Ocean temperatures become perfect for water based activities, whilst air temperatures start to warm with low humidity levels.

Ocean Activities:

October and November are the perfect time to take advantage of the Ocean Activities available on Lord Howe. Snorkelling, Swimming, Fishing, Round the Island cruises are all available during this time – book ahead to ensure you don't miss out.

Walking Tracks:

Lord Howe Island has a number of World class walking tracks, each with its own amazing view. Each of these walks can be viewed on the LHI walking track map, which also has details on duration and degree of difficulty listed.

Great Walks of Australia has also recently recognised the 7 peaks walk (operated by Pinetrees) as one of their great walks. So make sure you pack your walking shoes.

WHAT TO PACK

- Swimmers (bathers)
- Hat
- Walking shoes (good grip)
- Warm Jacket
- Rain jacket

ESSENTIAL TRAVEL INFO

When travelling to Lord Howe Island, travel insurance is highly recommended. As Lord Howe Island is a small Island, weather patterns can change dramatically over the course of your stay. To ensure you are covered in the event of a flight change or weather cancellation we think travel insurance is essential.

September is the beginning of our season (Sept-May), with everything starting to open again after winter, make sure you check dates for tour operators and restaurants before booking travel to the island, to ensure what you want to do is available.
